

Job title: Graphic Design Intern

Organization: SolarSPELL (Solar Powered Educational Learning Library)

Location: Tempe Campus - Payne Hall - Remote

Number of hours/week: 10 hours/week

Type of internship: non-paid

Application deadline: rolling

Start date: January 25th

Description:

Are you a passionate graphic design student with a knack for changing lives? Then we may have the learning position for you. SolarSPELL is seeking a graphic design intern to assist with the development and design of SolarSPELL graphics, library assets, and a variety of other creative tasks. We are seeking someone with a design skill set. Our offline library websites must have visual designs that communicate the desired message to our library users worldwide. The intern will be working closely with SolarSPELL's Technical Advisors to carry out their tasks. A mandatory SolarSPELL on-boarding workshop will take place at the start of this internship.

Essential Duties:

- Design logos and banner images for various library collections
- Adhere to brand guidelines and complete assigned tasks
- Update our existing library assets
- Work on other projects as assigned

Minimum Requirements:

- Academic focus in graphic design, graphic information technology or a related field.
- Must be proficient in basic design programs including Adobe Creative Suite.
- Compelling portfolio of graphic design work

- Work independently and complete assigned tasks within identified time frames
- Effective verbal and written communication skills.
- Thrive in a team environment and work well with others.

SolarSPELL is an offline digital library designed to bring educational content to resource-constrained locations that may lack electricity, Internet connectivity, and/or traditional libraries. The SolarSPELL library emits an offline Wi-Fi hotspot, to which any Wi-Fi capable device (smartphones, tablets, laptops) can connect and browse the expansive content for free.

More information on SolarSPELL can be found here: <http://solarspell.org>

This position offers an exciting opportunity to contribute to improving the quality of educational information available to students and teachers around the world, whose schools may lack Internet connectivity, electricity, and/or traditional libraries. Your contributions will be brought to the field and used by teachers and students, potentially within months of your internship!

Ideal candidates will be detail-oriented and self-starters. We are looking for candidates that have availability through the Spring 2021 semester. Successful students have the opportunity to continue through the Spring 2021 semester and beyond.

To apply: Please send a resume, cover letter and your portfolio to Courtney Finkbeiner at courtney.finkbeiner@asu.edu. Your files should be in PDF format and follow the naming convention of LastName_FirstName_CV (resume), LastName_FirstName_CL (cover letter) and LastName_FirstName_PF (or a link to your portfolio website).
