

**Position:** Content Curation Internship - Middle East focus

**Organization:** SolarSPELL (Solar Powered Educational Learning Library)

**Location:** Tempe; Remote

**Application deadline:** July 28th, midnight (AZ/MST)

**Start date:** August 18th

**Type of internship:** non-paid; part-time

**Description:** SolarSPELL is seeking part-time interns to curate regionally-relevant, open access, educational content for the new Middle East collection of the SolarSPELL digital library. Arabic and Kurdish speakers are highly encouraged to apply.

Potential content curation project areas are included below. In your application, please indicate if there are specific projects that you feel you have the skillset for because this will strengthen the application.

SolarSPELL is an offline, digital library initiative at Arizona State University that provides localized educational information and the training to build 21st-century skills in offline environments that may lack electricity, internet connectivity, and/or traditional libraries. We work with in-field partners, like the Peace Corps and the UN Refugee Agency, to build local capacities and ensure long-term, sustainable impact.

Users connect to the SolarSPELL offline, digital library over WiFi, using any WiFi-enabled device (smartphones, tablets, laptops) to freely, and safely, surf thousands of resources that are carefully curated and continually improved to meet local information needs.
