

**Internship title:** Arabic Translator - Middle East Library

**Organization:** SolarSPELL (Solar Powered Educational Learning Library)

**Location:** Tempe; and/or remote

**Type of internship:** Non-paid; approx. 10 hours per week

**Application deadline:** Rolling until filled

**Start date:** Immediate dependent upon availability

**Description:**

SolarSPELL is seeking up to 2 interns to translate program content for our initial implementation of our Middle East library collection in Northeast Syria. The translated content will be used by partner organizations in Northeast Syria to train others on the use of the SolarSPELL library and to conduct monitoring and evaluation.

SolarSPELL at ASU is a global educational initiative that combines curated digital libraries, solar-powered technology, and the training to build information literacy and internet-ready skills in offline environments, focusing on the half of the world that remains unconnected. Our offline digital library is designed to bring educational content to resource-constrained locations that may lack electricity, Internet connectivity, and/or traditional libraries. The SolarSPELL library emits an offline WiFi hotspot, to which any WiFi capable device (smartphones, tablets, laptops) can connect and browse the expansive content for free.

More information on SolarSPELL can be found here: <http://solarspell.org>

This internship offers an exciting opportunity to contribute to improving the quality of educational information available to students and teachers around the world, whose schools may lack Internet connectivity, electricity, and/or traditional libraries. Your contributions will be brought to the field and used by teachers and students, within months of your internship!

Interns will be expected to attend a new intern orientation upon the start of the internship. Ideal candidates will be detail-oriented and self-starters.

**Essential Duties:**
