### About the Internship

The SolarSPELL Initiative at Arizona State University is seeking a team of enthusiastic interns with a passion for Spanish, education, and community development to curate culturally-relevant, open-access, educational content for our offline Spanish language library.

Interns will review and evaluate Spanish language resources for learners in SolarSPELL's target regions, including Central and South America, ensuring it is

- Engaging and age-appropriate
- Aligned with local curricula
- Culturally respectful
- Suitable for offline use in resource-limited contexts

You'll also help identify gaps in our library and discover innovative new materials that foster curiosity and foundational learning. Your work may impact classrooms around the world within months of your internship.

### About SolarSPELL

SolarSPELL (Solar Powered Educational Learning Library) is a global educational initiative based at ASU. We create offline, solar-powered digital libraries designed for

areas with little to no access to electricity or internet. Our libraries provide a WiFi hotspot that enables free access to curated educational resources via any smartphone, tablet, or laptop.
